Oct 10, 2011 I have a computer with Windows 7 64 bit and I installed Autodesk Architects 2012 on it. is there a downloadable file that i can install. Aug 8, 2012 I would like to know which 64-bit version I should download for new AutoCAD. version 2012 18.4 I'm using Windows 7 64 bit. Thank you. Oct 26, 2014 Is there a way to force the choice of 32 bit or 64 bit so as to avoid compatibility problems with the 32 bit plugins? Oct 15, 2017 Hello, I need the 64bit version of Autocad and Design Suite 16. I have been able to get the Autocad Design Suite but not Autocad 16. Is there a solution? A: The short answer is: Yes, there is a way to force the choice of 32-bit or 64-bit so as to avoid compatibility problems with the 32-bit plugins. However, the process you need to do is actually cumbersome and often requires a clean install (if you have it already installed, the upgrade process will not work) so I cannot recommend doing it this way unless you absolutely must. You need to head to the Autodesk Autocad website ( and choose the appropriate version (which will be in the dropdown when you are on the page). However, you must make sure to select the correct version of Autocad to be sure you're installing the correct version (32-bit or 64-bit). But as you can see, the choice is there in the dropdown menu... 991 F.2d 791 NOTICE: Fourth Circuit I.O.P. 36.6 states that citation of unpublished dispositions is disfavored except for establishing res judicata, estoppel, or the law of the case and requires service of copies of cited unpublished dispositions of the Fourth Circuit. UNITED STATES OF AMERICA, Plaintiff-Appellee, v. Donald E. NUNCEM, Defendant-Appellant. No. 92-5080. United States Court of Appeals, Fourth Circuit. Submitted: March 29, 1993 Decided: April 27, 1993 Appeal from the United States District Court for the District of South Carolina, at Florence. C. Weston Houck
