My 13 year-old daughter has requested that I write a series of blog posts each month to feature her favorite cooking accessories, starting with my cast iron skillet and pots. I was happy to oblige and post the first few, but she needs to keep me writing! The single most important kitchen accessory for a busy, busy mom like me is an electric stand mixer (aka KitchenAid). My mixer has literally gotten us through a variety of stages over the last 13 years, and I'd love to share my two favorite recipes with you if you're looking for a new one. This easy bread recipe will show you how much fun it is to make this classic, yeasted loaf. This recipe is a keeper! I use this recipe to make my kitchen bread baking staples, and my kids like it too. My oldest daughter, who started baking when she was seven, has actually been helping me make the recipe when her twin brother is not home. Try this biscuit recipe. It uses ingredients that we always have
